

## **MCTX VETERANS MEMORIAL**

The future MCTX Veterans Memorial will be a timeless honor to those who have valiantly served the country and also a focal point of the City Hall placemaking initiative. The City's memorial was designed by Lloyd Lentz, the son of a World War II and Korean War Veteran, the grandson of two World War I veterans and the brother of a Vietnam Veteran. MCPF is partnering with the local American Legion Post 294 to promote/raise funds for the project. For more details, please call (281) 403-8637.

## **MCTX PARKS FOUNDATION**

The Missouri City Parks Foundation facilitates public and private partnerships and investments to enhance community connectivity, open spaces, and park development; helping to make the "Show Me City" an even greater place to live, work and play.
