

Is your Business a Green Business?

Nominate a business for the Missouri City

Golden Tree Award

Recognizing Leadership in Environmental Stewardship

The Golden Tree Awards are given to businesses that demonstrate civic engagement and environmental leadership in one or more of the following categories:

- Donation of products or funds for park and green space improvement projects within the city
- Enhanced landscaping and proper plant care around their Missouri City business
- Utilization of green technology in and around their Missouri City business, such as but not limited to green roofs, high-efficiency lighting and appliances, solid waste recycling, water-efficient restroom and irrigation devices, Leadership in Energy and Environmental Design (LEED) building certification, solar and wind power investments, and permeable paving
- Volunteer participation in Missouri City Parks & Recreation or Missouri City Green programs, such as trash clean-ups, plantings, recycling, and other environmentally based programs and events.

Winners are announced quarterly, and will receive a plaque, recognition by Missouri City-City Council and on the City of Missouri City website and Missouri City Green website. There is no application fee. Businesses may be nominated only once every year.

Nominate a business today. Provide a description of why the business should be considered for a Golden Tree Award. Please be as detailed as possible, and include information such as: #of volunteers & hours of service, \$ amount directly given or in-kind value of donations, names of projects or events that were supported.
