

# Missouri City Small Business Lease/Mortgage Assistance Program

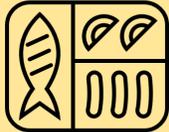

## Small Business Grants for Leases and Mortgages

Due to the economic impact of the Coronavirus (COVID-19), Missouri City has created a program designed to assist small businesses with their lease or mortgage payment.

The Missouri City Small Business Leaseholder/Mortgage Assistance Grant Program is a collective effort to provide grants up to \$15,000 to Missouri City small businesses still impacted by COVID-19.

We encourage all Missouri City Small businesses to apply that meet the following criteria:

- Be in good standing with the City, County and State of Texas;
- Have a minimum of 1 employee and no more than 50.
- Have documented 2019 revenue of at least \$25,000 and no more than \$5,000,000
- Hold a valid commercial lease or mortgage
- Must not have applied and been approved, or currently receiving assistance from any other program that is providing lease or mortgage assistance.
