

Going Digital?

What should I do with my old TV?

Recycle it! If you decide to buy a digital TV and no longer want your old analog TV, look for opportunities to recycle it. Recycling TVs recovers valuable materials from the circuit boards, metal wiring, leaded glass, and plastics.

Check out the following Web sites to find recycling options near you:

- ▶ **Earth 911** www.earth911.com/electronics
Earth 911's zip-code based search engine enables you to find recycling and reuse options in your community for a variety of products.
- ▶ **My Green Electronics** www.mygreenelectronics.org
On this Consumer Electronics Association site, you can learn more about purchasing "green" electronic products and search for recycling opportunities.
- ▶ **Fort Bend County's Recycle Center/Environmental Center**
