Special City Council Agenda Item Cover Memo April 20, 2015

To: Mayor and City Council
Agenda Item: 4(a) Consider and discuss appointing/reappointing members to various boards, commissions, and committees.
Submitted by: Maria Gonzalez, City Secretary

SYNOPSIS

Consider and discuss the appointment/reappointment of members to various City boards/committees/commissions before formally appointing them during an upcoming regular City Council meeting.

BACKGROUND

City Staff is requesting direction from City Council before determining if each board, committee or commission member would be interested in serving another two-year term to their respective board, should City Council wish to reappoint them. At this time, no committee member was contacted. Council is to discuss all members and provide staff with the feedback needed to extend an invitation for another term.

The members for the following boards, committees and commissions will be expiring on June 30, 2015.

(2) Community Development Advisory Committee members:

- Position 4 - Monica Rasmus, District A
- Position 5 - Bertha Eugene, District B

Board Functions

During the first funding year of the Community Development Block Grant (CDBG) Program (1998), the City of Missouri City established a Community Development Advisory Committee. Presently, the Committee membership is composed of the Council members from Districts A and B; one additional Council member; a resident from the Target Area in District A; a resident from the Target Area in District B; and, two citizens at large with an interest in the CDBG program, for the purpose of providing direction to the distribution of the CDBG funds. The citizen members of the committee serve staggered two year terms.

(4) Construction Board of Adjustments & Appeals members:

- Position 3 - Sammy Freeman, District D
- Position 4 - William W. Johnson, District D
- Position 5 - Hugo Mondragon, District C
- Alternate - Larry Blackmon, District A

Board Functions

This board hears appeals to Building Code, Fire Code and infrastructure standard requirements in Missouri City.

(3) Electrical Board member:

- Position 1 - Buford Jurica, District C
- Position 3 - Joe Scanlin
- Position 5 - Frank Hester

Board Functions

The Electrical Board hears appeals and other matters concerning the city's electrical regulations.

(8) Parks Board members:

- Position 1 – VACANT as of 01.30.2015 when Sarah Hussain resigned, District C
- Position 3 - Pamela Andrews, District B
- Position 4 will be VACANT after Anthony Maroulis is sworn into office as City Councilmember, District C
- Position 5 - Loveless Mitchell, District A
- Position 7 - Diane Giltner, District C
- Position 9 - Llarance Turner, Chairman, District A
- Position 11 - Mark MacImerney, District D
- Position 13 - Rafik Sandford, District D

Board Functions

The Parks Board serves in an advisory capacity to City Council on parks and recreation policy matters.

(5) Planning and Zoning Commission members:

- Position 5 - John T. O'Malley, District D
- Position 6 - Douglas Parker, District B
- Position 7 - Hugh Brightwell, District D
- Position 8 - Ramesh Anand, District C
- Position 9 - Timothy R. Haney, Vice-Chair, District C

Board Functions

The Planning and Zoning Commission is the final authority on applications concerning the subdivision of land and makes recommendations to City Council regarding applications for amendments to the Missouri City Zoning Map and Zoning Ordinance.

(5) Zoning Board of Adjustments & Appeals members:

- Joe Workman, Position 1, District D
- John D. Jobe, Position 2, District D
- David Hamner, Position 3, District B
- Paul Chiang, Alternate, District D
- Angela Chan, Alternate, District C

Board Functions

The Zoning Board of Adjustment and Appeals hears appeals in the enforcement of the Zoning Ordinance.

Council Special Meeting Item Cover Memo April 20, 2015

To: Mayor and City Council
Agenda Item: 4(b) Discussion regarding non-911 EMS provider's approval process.
Submitted by: R. Sander, Fire Chief

SYNOPSIS

Staff received a request from a non-911 emergency medical services (EMS) provider to operate in Missouri City. Pursuant to Texas Health and Safety Code Section 773.0573, City Council may issue a letter of approval if the Council determines certain conditions exist. Staff requests direction from Council on the process by which current and future requests by EMS providers will be considered.

STRATEGIC PLAN 2019 GOALS ADDRESSED

- Create a Great Place to Live
- Grow Business Investments in Missouri City

BACKGROUND

In the 2013 legislative session, a provision was passed creating a new requirement (approval by the governing body of a city or county, as applicable) for emergency medical services providers to cut back on fraud and waste in certain federal programs. The Centers of Medicare and Medicaid Services established a moratorium on licensing new emergency medical services providers from about July 2013 to August 2014, which stopped the establishment of certain new EMS providers during that time.

Pursuant to Texas Health and Safety Code Section 773.0573, city council may issue a letter of approval to an emergency medical services provider applicant who is applying to provide emergency medical services in the city **only if** the city council determines that:

- (1) the addition of another licensed emergency medical services provider will not interfere with or adversely affect the provision of emergency medical services by the licensed emergency medical services providers operating in the municipality;
- (2) the addition of another licensed emergency medical services provider will remedy an existing provider shortage that cannot be resolved through the use of the licensed emergency medical services providers operating in the municipality; and
- (3) the addition of another licensed emergency medical services provider will not cause an oversupply of licensed emergency medical services providers in the municipality.

If the entity currently seeking approval had been seeking a renewal, it would have been exempt from the requirement. If city council does not authorize a letter of approval for the service, the provider will not be allowed to operate within the city.

The City of Pearland has a permitting process for EMS providers that requires the providers to obtain an annual permit and Pearland Staff conducts an inspection of each ambulance. The Cities of Sugar Land and Stafford do not have an established process.

According to the Texas Department of State Health Services, Missouri City currently has two (2) licensed EMS providers in the City. Sugar Land has eight (8) and Stafford has 12 providers. Numbers for Pearland were not provided.

Staff seeks direction from Council.

1. Who in the City should research information for the determinations required in Texas Health and Safety Code Section 773.0573 in order to make a recommendation to Council when providers seek approval?
2. Should the City of Missouri City have a registration process for EMS providers to maintain visibility of the number of providers operating in the City?
3. Should the City of Missouri City adopt other regulations, such as a regulating limiting the authority of private EMS providers to non-emergencies and impose requirements on such providers that force them to contact City dispatch for emergencies?

FISCAL ANALYSIS

If a permitting process is adopted at a subsequent meeting, there may be administrative costs associated with that process. If a process is not adopted, staff time will be expended in order to research information for Council to make the determinations required in the Health and Safety Code.

Transfer means the moving of a patient from one physical location to another with the use of an ambulance.

Transfer call means any request for ambulance service that is made by telephone, or other means of communications in circumstances which are or have been represented to be of a non-emergency nature requiring non-emergency transfer.

Section 4. Jurisdiction

All emergency medical calls that originate in the City of Keller will be the responsibility of the City of Keller Fire Department. In the event that a private ambulance service receives a direct call for a patient meeting the definition of an emergency within the City of Keller, it will be the duty of the private ambulance service to immediately refer the emergency medical call to the Keller Fire Department.

Private service ambulances will not run with lights and/or sirens into the City of Keller, unless they are driving through enroute to an emergency call in another city or delivering a patient to a hospital Emergency Room that did not originate in the City of Keller. Private service ambulances will not transport patients that are picked up in the City of Keller, with lights and sirens.

Section 5. Private Ambulance Service Permit Required

1. No person, either as owner, agent or otherwise shall operate, conduct, maintain, advertise or otherwise engage in or profess to be engaged in the business of ambulance service upon the streets, alleys or public ways or places of Keller, Texas, unless he or she holds a currently valid private ambulance service permit issued pursuant to this section.
2. Private ambulance service permits shall be issued for one (1) year. The permit period shall be renewed annually based on the date of issuance.
3. No person shall act as an attendant-driver on any ambulance operated under this section unless he or she holds a valid drivers license and appropriate valid certification as defined by Texas Department of State Health Services.
4. Private ambulance service permits issued are not assignable or transferable and remain the property of the City.
5. No official entry made upon a private ambulance service permit may be defaced, removed or obliterated.

6. The private ambulance service permit, or a copy, shall be kept on all ambulances and available for inspection by any officer of the City at all times.

Section 6. Application for Private Ambulance Service Permit

Application for an private ambulance service permit shall be made upon a form furnished by the City of Keller. The City Manager or the City Manager's designee shall issue such ambulance permit to an applicant only upon proof by the applicant that the applicant has satisfied all the provisions and conditions provided for and has given complete and truthful information to all requirements stated herein. Falsification of information on applications will be grounds for revocation of permit.

The application shall contain the following information:

1. The application and all accompanying paperwork must be submitted to the Office of the Fire Chief. The Fire Chief's office will have a minimum of two (2) weeks to process the ambulance permit application and make a recommendation for approval or denial to the City Manager.
2. Name and address of the applicant and of the owner of the ambulance;
3. The trade or other assumed name, if any, under which the applicant does business or proposes to do business;
4. A complete report of any claims or judgments against the applicant, owners and managing personnel, or employees for damages resulting from negligent operation of an ambulance or any other vehicle within the last five (5) years;
5. An identification and description of any revocation or suspension of a private ambulance service permit held by the applicant or business before the date of filing the application within the last five (5) years;
6. Business address, medical license number and DEA number of applicant services medical director;
7. Proof of a license from Texas Department of State Health Services to operate as an Emergency Medical Services Provider;
8. A description of each ambulance to be operated in Keller, including the make, model, year of manufacture, VIN, motor vehicle registration, current Texas Department of State Health Services license number, the length of time the ambulance has been in use, and the color scheme, insignia, name monogram, or other distinguishing characteristics to be used to designate applicant's ambulance;
9. Level of care that the applicant proposes to provide according to Texas Department of State Health Services standards;
10. Any such information as may be applicable.

Section 7. Standards for Private Ambulance Service Permit

1. Each ambulance shall, at all times when in use as such, be suitable for the transportation of patient, from the standpoint of health, sanitation and safety.
2. Minimum equipment requirements for each ambulance shall be those established by Texas Department of State Health Services.
3. All ambulances operating under a private ambulance service permit are subject to spot inspections without notice.
4. Each ambulance operated under the private ambulance permit must be maintained in a clean and sanitary condition.
5. The private ambulance service permit holder shall comply with the terms and conditions of the application, lawful orders of the Fire Chief, rules and regulations established under this application, and other city ordinances and state and federal laws applicable to the operation of a private ambulance service.
6. The private ambulance service permit holder shall establish policy and take action to discourage, prevent, or correct violations of this application by attendant-drivers who are employed by the service.
7. The private ambulance service permit holder shall not allow any attendant-drivers employed by the service to operate an ambulance within the city if the permit holder knows or has reasonable cause to suspect that the attendant-driver has failed to comply with this application, rules and regulations established by the City, or other applicable law.
8. In the event that a patient's condition changes while being transported non-emergency and necessitates a transition into an emergency transport, the private ambulance service permit holder shall notify City of Keller EMS Chief in writing within 10 days following the event. This notification must include where the patient was picked up, destination, and explanation as to why the transport necessitated an increase to an emergency transport.

Section 8. Insurance Requirements

No private ambulance service permit shall be issued, nor shall any ambulance be operated for any reason in the city, unless there is at all times in force and effect insurance coverage, issued by an insurance company licensed to do business in the State of Texas, for each and every ambulance owned and/or operated by or for the applicant for permit providing for payment of damages:

1. For injury to or death of individuals in accident resulting from any cause for which the owner of said vehicle would be liable on account of liability imposed on him by law, regardless of whether the ambulance was being driven by the owner or his agent.
2. For the loss or damages to the property of another, including personal property, under like circumstances, in the following sums: Not less than one hundred thousand dollars (\$100,000) for each person, three hundred thousand dollars (\$300,000) for each accident and ten thousand dollars (\$10,000) for property damage. A copy of the policy and a written statement from an authorized

agent of the private ambulance service's insurance carrier verifying the issuance of such insurance shall be filed with the City before the permit may be issued.

3. The limits for liability insurance required are no less than five hundred thousand (\$500,000) dollars per claim and a one million (\$1,000,000) aggregate umbrella policy.
4. Every insurance policy required shall contain a provision for a continuing liability thereunder to the full amount thereof notwithstanding any recovery thereon, that the liability of insurer shall not be affected by the insolvency or the bankruptcy of the assured, in that until the policy is revoked the insurance company will not be relieved from liability on account of nonpayment of premium, failure to renew the private ambulance service permit at the end of the year, or any act or admission of the named assured. Such policy of insurance shall be further conditioned for the payment of any judgments up to the limits of said policy, recovered against any person other than the owner, by his agent or employee, who may operate the same with the consent or acquiescence of the owner.

Expiration or cancellation of such insurance coverage shall automatically terminate any private ambulance service permit. Proof of insurance shall be provided on demand and proof shall at all times be on board any permitted ambulance.

Section 9. Standards for Attendant-Driver Permit

1. All attendant- drivers must be able to read, write and speak the English language.
2. All attendant- drivers must have a valid Texas driver's license. (Class A, B, or C).
3. All attendant-drivers must hold a current certification from Texas Department of State Health Services as an emergency medical technician or higher.
4. No attendant- drivers shall have a final conviction for theft, robbery, state or federal controlled substances acts, rape, sexual abuse, indecency with a child, or any crime involving moral turpitude.

Section 10. Revocation of Permit

A private ambulance service provider or any of its agents and/or employees, who violate any section of this permitting process, including allowing drivers to operate any vehicle while not properly licensed/permitted, is subject to immediate revocation of its private ambulance service permit to operate within the city limits of Keller and penalties as described in section 11.

Any private ambulance service provider found to be in violation will have their permit immediately suspended pending any appeal of the revocation of the permit.

However, not less than ten days before such revocation, the owner shall be given written notice and an opportunity to be heard before the City Manager or his/her designee as to why the permit should not be revoked. No such notice shall be deemed necessary prior to revocation of a permit for failure to maintain proper insurance as required in section 7.2.

Section 11. Penalty for Permit Violation

1. A person commits an offense if the person violates any provision of the permit or permit process.
2. Any person who violates a provision of the permit or the permit process, upon conviction in the municipal court of the city, shall be subject to a fine not to exceed \$2,000.

Section 12. Refusal to Renew Permit

The city may refuse to renew a private ambulance service permit for any of the following reasons:

- a) Applicant made a false statement as to a material matter in the application for a permit;
- b) Applicant failed to comply with any requirement of the permit process or any rule or regulation established by the city;
- c) Applicant was convicted of any felony offense while holding a private ambulance service permit;
- d) Applicant used a trade name for a private ambulance service other than the one registered with the city.

Section 13. Renewal of Permit

1. Application for renewal and all accompanying paperwork must be submitted to the Office of the Fire Chief a minimum of two (2) weeks prior to expiration of the current permit. The Fire Chief will recommend approval or denial on all applications to the City Manager.
2. Renewal of the private ambulance service permit shall require conformance with all requirements of the permitting process as if an original license was being sought.
