Sec. 10-32. Registration of dogs and cats required; procedure; registration certificate.

(a) No owner shall have within the city any dog or cat over four months of age unless such dog or cat is currently registered with animal control. A current metal registration certificate, issued by animal control, must be affixed to the collar or harness and must be worn by the dog or cat at all times. No dog or cat shall be registered until it has a current rabies vaccination.

(b) Application for initial issuance or renewal of each registration must be made by the owner, in writing or in person, and must be accompanied by the paper vaccination certificate, and a fee in the amount specified in the schedule of fees adopted by the city council.

(c) Registration certificates shall be issued annually and shall run concurrently with vaccination certificates. Registration certificates must be obtained within 30 days of vaccination. A registration and/or vaccination certificate shall be valid only for the animal to which it was originally issued. (Code 1981, § 4-4(b))
